

## Skin Problem Questionnaire

**Patient Information Label**

Doctor: \_\_\_\_\_

Tech: \_\_\_\_\_

1. What is the location of the problem?(i.e. rash under arms, on belly, all over body, etc.) \_\_\_\_\_
2. When did it begin/how long has it been going on? \_\_\_\_\_
3. Has the pet had this, or a similar problem before? If yes, when? \_\_\_\_\_
4. Is your pet on flea, tick, or heartworm prevention? If so, when was it last applied? \_\_\_\_\_
5. Have you seen any fleas or ticks on your pet? \_\_\_\_\_
6. Does your pet get bathed or groomed? If yes, what shampoo was used, and when was the last time it was done? \_\_\_\_\_
7. Is your pet itchy, or does he/she seem uncomfortable? \_\_\_\_\_
8. Does your pet have contact with grass, weeds, plants etc.? If yes, has it recently been treated with anything? \_\_\_\_\_
9. Does your pet have any known allergies? \_\_\_\_\_
10. Does your pet seem to be in any pain? If yes, on a scale of 1-10, how much? \_\_\_\_\_
11. Is there any hair loss associated with the problem? \_\_\_\_\_
12. Is your pet currently on any kind of medications? If so, list: \_\_\_\_\_
13. Has your pet been licking, chewing, or scratching on any part of its body? \_\_\_\_\_
14. What is your pet's current diet? Be specific as possible, and list any changes to it. \_\_\_\_\_
15. Is your pet kept indoors, outdoors, or both? \_\_\_\_\_
16. Has your pet been away from its normal environment, or been around any new animals recently? \_\_\_\_\_
17. Have you recently moved, or taken your pet on any trips recently? \_\_\_\_\_
18. Have you noticed a foul odor to your pet? \_\_\_\_\_
19. Are there any skin lesions/sores that you have noticed? If yes, where? \_\_\_\_\_
20. Are there are reddish brown stains on your pet or areas where the skin is thick/leathery? If yes, where? \_\_\_\_\_
21. Does your pet's skin problem disturb you or your pet's ability to sleep through the night? \_\_\_\_\_
22. Have your or any other person in your household had any similar signs or lesions? \_\_\_\_\_
23. Does your pet exhibit any unusual behaviors: (circle any that apply) Excessive greeting when you return home, panting/drooling excessively, trembling, destructive in your absence, tries to escape when put in crate or other enclosure, self-mutilation, aggression towards other dogs, aggression towards people, depression, inappropriate defecation/urination, vocalizes excessively, attempts to maintain close contact at all times (clingy), or bouts of anorexia/diarrhea/vomiting in your absence. \_\_\_\_\_
24. Do you have any other concerns about your pet today? \_\_\_\_\_
